

Logo Design Event Rules

PixelMark

1. The event consists of a single round, and only individual participation is permitted.
2. Participants must use only the provided systems and pre-installed tools (Canva).
3. The official topic/theme for the logo design will be announced on the spot.
4. The design must effectively represent the theme through thoughtful composition, typography, color scheme, and a clear concept.
5. All work must be created live during the event; no pre-made assets, templates, stock vectors, or generative AI tools are allowed.
6. Final logo designs, along with a 2–3 sentence concept note, must be submitted within 35 minutes.
7. Any form of plagiarism or unfair practice will result in immediate disqualification.
8. The decision of the judges and organizers is final and binding.
